

2012
EUROSATORY
LAND SECURITY & DEFENCE
11 - 15 JUNE 2012 / PARIS

'CBRNe' cluster - Chemical, Biological,
Radioactive, Nuclear Defence.

Before, during and after the threat

Given an increasing threat of terrorist attacks and natural or industrial disasters, public and private institutions require efficient and appropriate protection equipment which cover an expanding spectrum of products and systems.

Eurosatory, the largest international exhibition dedicated to Land Security & Defence, allows companies to promote their products and innovative technologies to public and Defence and Security managers and HAZMAT units.

Why exhibit in the 'CBRNe' cluster?

- **meet** a high-level international selection of Defence & Security visitors: 8% of the professional visitors are involved in the CBRNe field and 48% of them are in procurement processes,
- **position** your company among the key players in the CBRNe field,
- **present** your high-tech solutions to decision-makers and end-users,
- **show** your last innovative technology and launch your new products,
- **discover** new projects and needs from the Defence and Security forces,
- **develop** your network by participating in the Eurosatory BtoB meetings ®.

What can be exhibited?

- protection systems and equipment,
- fixed, mobile or handled detection equipment,
- decontamination modules, collective or individual
- air & water treatment and purification,
- training & Simulation systems for Defence and Security forces.

Among the exhibitors from the CBRNe field, the following companies took part in the cluster in 2010:

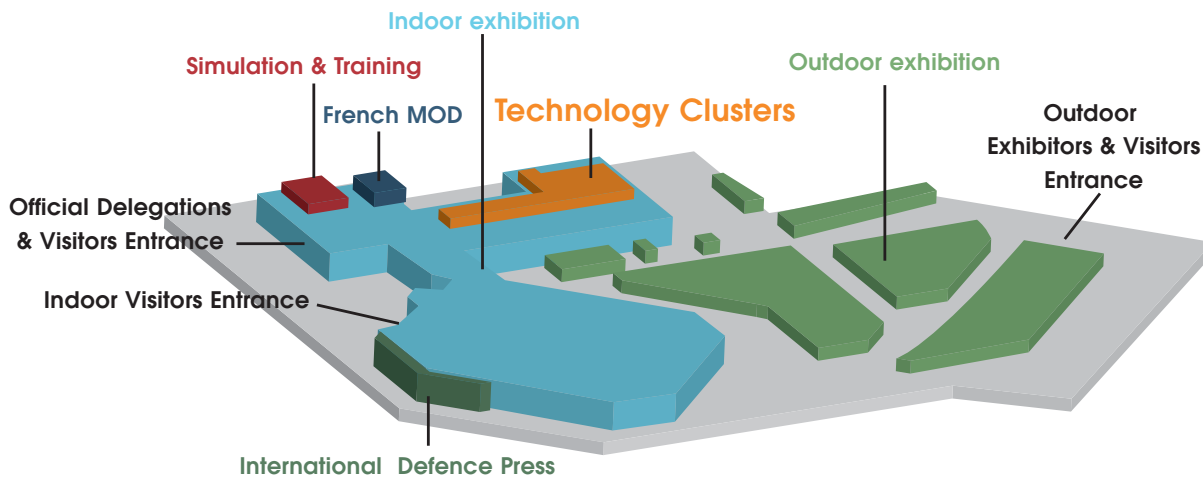

BERTIN TECHNOLOGIES, BIOLAB H20, CBRNE WORLD, GIE DEFENSE NBC, LOSBERGER RDS, MATISEC, PROENGIN, SPERIAN PROTECTION EUROPE ...

Eurosatory 2012 Technology clusters area

The 8 clusters are gathered in the hall 5 along a sole aisle. You will benefit from:

- a privileged location in the heart of the exhibition,
- specific overhead signs and an enhanced visibility,
- specific registration of all cluster exhibitors in the Visitor Guide (printed in 35,000 copies)
- thematic leaflets distributed at Visitors' entrances.
