Since it was founded in 2003, Fleur de METS has earned its place within the circle of premium caterers that organise receptions in the capital. It is a subsidiary of the Coser Group, which specialises in catering, gourmet retail, and managing event venues, throughout France and Belgium. Fleur de METS' specialist fields are events, receptions, exhibitions and congresses. Its efficient, cutting-edge production facilities enable it to organise events for over 5,000 pax.

In 2013, Fleur de METS founded Cuisine&Compagnie, an alternative, urban and affordable brand that compiles trendy packaged offers.

Fleur de METS Grands Événements draws on its many fields of expertise to compile all-round catering solutions for a portfolio of clients who organise major events in Paris and exhibitors (catering for teams, for exhibition stands, gala dinners and cocktail parties, catering during conferences and for the general public).
