EUROSATORY 2018: DRONES

Eurosatory, the international leading exhibition of land and airland Defence and Security, will be held from 11 to 15 June 2018 in Paris. This year it will host more than 1,750 exhibitors from 63 countries and more than 57,000 professional visitors are expected.

The Drones sector is an integral part of Eurosatory 2018:

- **A technology cluster** since 2006
- **More than 130 exhibitors** with activities in UAVs & UGVs sector
- **30 % of Official Delegations** are interested in the domain
- Drones are present at Eurosatory **Live Demonstrations**

In 2018, among the **exhibiting companies**:

- Airbus
- Drone Volt
- Eca Group
- Elbit
- Leonardo
- Lockheed Martin
- Safran
- Thales
- Aeraccess
- BlueBird Aero Systems
- Aeronautics Group and others.

In 2018, there is a remarkable presence of companies in the field of anti-drones.

At every edition of Eurosatory several **conferences on drones** are organised. In 2018, conferences will address following issues: " Anti-UAV fight", "Drones at the Ground Forces", "Airmobile combat and contact drones".

The 2018 edition will increase again exhibition's success and will confirm Eurosatory as the major exhibition for the players of airland and land Defence & Security domain. Find more information on www.eurosatory.com.
