PRESS SAY:
LIVE DEMONSTRATIONS

Sunday 14th June 2026
9:30am to 4:30pm

Parc des Expositions de Paris Nord Villepinte
ZAC Paris Nord 2, 93 420 Villepinte

On the eve of the exhibition's opening, Eurosatory invites the media to a dedicated press day focused on live demonstrations —one of the event's highlights.

A genuine operational showcase, these demonstrations will highlight the expertise of French and international industry leaders, alongside elite units from the French armed forces and security services.

They will provide an immersive experience, offering close-up insight into the equipment and operational capabilities deployed in operations, both in France and internationally.

A DAY DEDICATED TO THE PRESS

This day has been designed to facilitate journalists' work under privileged conditions:

- Close access to equipment,
- Enhanced filming and photography opportunities,
- Opportunities to conduct interviews with deployed forces and industry representatives.

These exceptional conditions are not available during the days when the exhibition is open to trade visitors.

PREVISIONAL PROGRAMME

9:30am - 9:45am : Welcome coffee

9:45am - 1:00pm : Live demonstrations,
with dedicated time slots for photography and interviews with unit spokespersons and communications departments of industry participants

1:00pm - 2:00pm : Buffet lunch

2:00pm - 4:30pm : Continuation of Live demonstrations,
with dedicated time slots for photography and interviews with unit spokespersons and communications departments of industry participants

Participants will notably include the French Army, French SWAT Teams (BRI & GIGN) and law enforcement forces (GBGM - Groupement blindé de gendarmerie mobile), who will showcase their intervention techniques and operational capabilities.

Industry exhibitors will present key equipment deployed in theatres of operation, including mobility, transport, protection, surveillance and observation systems.
